*Are you ready for a different kind of Leadership Workshop? How about a day outdoors with horses as your co-facilitators? The Equus Experience is different -- like nothing you've ever experienced.*

*"I have had the pleasure of doing this twice and both times the things I needed help around became clear. I left with ways to incorporate a better approach and strategy in my work and personal life. It is amazing how immediate the feedback is from the horses (and the coaches). You will see amazing results in that same day. I strongly encourage you to try this. It is truly amazing."*

- Colleen Marshall, Chief Operating Officer, Vital Decisions, Edison, NJ
