

# Let A Horse Help You Be A Better Leader

Coaches will offer a FREE demonstration of the powerful Leadership Development & Team-Building that can be accomplished with Equine-Assisted Activities.

This is Merlin and he will see you like no other. He will also help you be a more effective, intentional and authentic leader.

All he asks in return is that you show up willing to let him be a mirror to your intentions, thoughts and emotions. Oh, and have **fun and food** at his horse farm!
